**THREE GROUPS OF TAILORED  
SUITS FEATURED TODAY---****Those at \$25, \$29.50 and \$35.**

There is a suit for every woman at one of these three prices. We have the most extensive line of Tailored Suits at these three prices to be found anywhere. Mark you, too, that the suits, in many instances, are copied from higher priced models, so you secure styles not usually found in suits so moderately priced.

**The Suits at \$25 and \$29.50**—embody all the new fashions—fabrics and colors. There are strictly tailored, semi-tailored or military effects; fur trimmed, braided or lavishly trimmed with buttons. Materials are broadcloths, whipcords, gabardines, men's wear serges and poplins in black, navy, green, African brown, field mouse. A very comprehensive showing.

**The Suits at \$35**—One of the most popular models is the Russian flare, which is fitted at the waist, and flares from this point; then, too, the full pleated coat with belt, somewhat similar to the Norfolk, is much in demand. The strictly tailored fashions are here, too. Some of the coats show fur trimming, not only at neck and sleeves, but around the bottom of the coat as well. Colors include black, navy, field gray, green and African brown. The well-liked Army and Navy Serge Suits are to be had at this price.
